

Written Financial Policy

Thank you for choosing Perfect Dental. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

- Cash, Check, Visa, Master Card, American Express, Discover Card or Care Credit¹
- Perfect Dental Payment Plan²
 - Available for Treatment Plans over \$500
 - Automatic weekly/monthly billing to your credit/debit card
 - Allow you to pay over time
 - No annual fee

Perfect Dental requires payment prior to the beginning of your treatment. If you choose to discontinue care before treatment is complete, you will receive a refund less the cost of care provided and lab fees.

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.³

Perfect Dental charges \$35 for returned checks and \$25 for accounts sent to collections.⁴

You grant permission to us or our assignee, to telephone you to discuss this statement or your treatment.

I understand that any fee estimate for this dental care can only be extended for a period of six months from the date of patient examination.

All emergency dental services, or any dental services performed without previous financial arrangements must be paid for at the time services are provided unless other arrangements are made.

I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

If you have any questions, please do not hesitate to ask.
